This Certificate is issued on behalf of the Client by SGS Société Générale de Surveillance S.A. (SGS). The findings recorded hereon are based on an audit performed by SGS, the results of which are valid for the scope of the intervention only as referenced above. The findings are available in the above-mentioned Report, and could be consulted at the Client's premises. This certificate does not relieve the Client from compliance with any by-laws, federal, national or regional laws and regulations or with any guidelines issued pursuant to such regulations. Stipulations to the contrary are not binding on SGS and SGS shall have no responsibility vis-à-vis parties other than its Client. Validity of this certificate is based on the audit of the management system defined by the above scope and is contingent upon prompt, written notification to SGS of significant changes to the management system or components thereof. Confirmation of this certificate's validity can be found on <http://www.scout.org/qsat>
